**All submissions to the microsite should only contain non-classified information.**

## **Technology Demonstrator 2 Event Rules**

### **Eligibility for Entry**

- The Event is open to all potential solutions that address the core requirements of the TD2 Project.
- Entry to the event is open to all organisations and individuals. We want to hear from companies large or small, innovators, academics and entrepreneurs.
- Submissions from outside the UK are welcome. In such cases the entrant should also indicate in the space provided their ability to support the TD2 programme in the UK.

### **Submission Content**

- Entries must be submitted by completing the online entry form.
- Entries must be Innovative (not already in service/in use/installed) and address issues relating to secure transit through airports and other controlled spaces by applying technology and design to improve:
  - Security
  - Passenger experience
  - Airport revenue
- All entries must be factual and conform to the requirements of the Guidelines.
- It is the responsibility of the entrant to ensure that no third party has any rights in relation to the idea forming the subject of their entry that may prevent its future use.

## **Deadline for Submission**

- Entries will be accepted until midnight on the 21 August 2010.

## **Initial Selection**

- A panel of recognised Industry Experts shall conduct the Initial Selection.
- The decisions of the selection panel will be final and not subject to appeal.

## **Final Selection**

- The TD2 Event team will issue a further Request For Information (RFI) to all submissions that have been down-selected by the Initial Selection panel.
- A panel of recognised Industry Experts shall conduct the Final Selection based on the information received.
- The decisions of the selection panel will be final and not subject to appeal.

## **Prizes**

- £30,000 (thirty thousand pounds sterling) for the winning entrant
- £15,000 (fifteen thousand pounds sterling). for second place
- £5,000 (two thousand pounds sterling) for third place

## **Confidentiality and Intellectual Property Protection**

- All entries shall be protected and treated securely and confidentially by the Event team.
- By submitting an entry to the competition, the entrant does not transfer ownership of the intellectual property in their idea to any third party.

## **Disclaimer**

- The TD2 Team has made every reasonable effort to ensure that the information contained within the microsite is up to date and accurate, however, it should not be taken as a definitive guide to every area of concern, nor should it be considered sufficiently full and accurate to cover every situation. Decisions should be taken in accordance with normal business evaluation methods.
- While care is taken to ensure the accuracy of the Content contained within the TD2 Team website, it is provided on the understanding that no responsibility attaches to the TD2 Team and we shall not be liable for any consequential loss or damages (including,

without limitation, loss of contract, loss of use, loss of profit or other economic loss and whether caused by the negligence of ourselves, our employees or agents or otherwise) which arises out of, or in connection with submissions to the TD2 Project.
